Background and Principal Activities

Public Sector Audit Appointments Limited (PSAA) is a company limited by guarantee without any share capital and is a subsidiary of the Improvement and Development Agency (IDeA) which is wholly owned by the Local Government Association (LGA).

The company was registered on 14 August 2014. The period from 14 August 2014 to 31 March 2015 was concerned with setting up the company in readiness for it to open for business on 1 April 2015. The sole director of PSAA from 14 August 2014 to 9 February 2015 was Dennis Skinner, during which time a shadow board operated. On 10 February 2015 the shadow board members became directors of the company, and the PSAA Board replaced the shadow board.

The Secretary of State for Communities and Local Government delegated statutory functions (from the Audit Commission Act 1998) to PSAA by way of a letter of delegation issued under powers contained in the Local Audit and Accountability Act 2014.

The company is responsible for appointing auditors to local government, police and local NHS bodies, for setting audit fees and for making arrangements for the certification of housing benefit subsidy claims.

PSAA took over these functions and powers on 1 April 2015. Before this date, these responsibilities were discharged by the Audit Commission.

PSAA Board

In order for PSAA to carry out effectively the responsibilities transferred, various set up costs were incurred. These included the costs required to set up a shadow board to ensure that adequate governance arrangements were in place.

The shadow board comprised a Chairman and four directors.

Accounts for financial year 2014/15

PSAA prepares its accounts in accordance with the small entities regime for financial year 2014/15.

During the period to 31 March 2015 PSAA had no trading activities and was below the small entities threshold in the Companies Act 2006.

Accounting convention

PSAA prepares its accounts using the historical cost convention, adjusted to account for the valuation of financial instruments at fair value.

Going concern

PSAA accounts have been prepared on the basis of going concern.

The Board of directors has assessed PSAA's future and is satisfied with the accounts being prepared on a going concern basis. The Board expects PSAA to stay in business for the foreseeable future and is able to realise its assets and discharge its liabilities during the normal course of business.

The government has announced its intention to extend the transitional audit arrangements for principal local government bodies by one year to include audits for 2017/18. The last year of audit for NHS bodies will be for audit year 2016/17. The accounts are therefore prepared on the basis of a going concern. PSAA currently expects to remain in business until at least the end of 2018.

Transfer of property, rights and liabilities from the Audit Commission

As a result of provisions of the Local Audit and Accountability Act 2014 and the closure of the Audit Commission, certain Audit Commission retained earnings, assets and liabilities were transferred to PSAA on 2 April 2015 and 27 July 2015. All assets and liabilities were transferred at book value for nil consideration.
