

Regulatory Compliance monitoring report

Quarter 2 2017-18 KPMG LLP Public Sector Audit Appointments Limited (PSAA) is an independent company limited by guarantee incorporated by the Local Government Association in August 2014.

The Secretary of State for Communities and Local Government delegated a number of statutory functions (from the Audit Commission Act 1998) to PSAA on a transitional basis by way of a letter of delegation issued under powers contained in the Local Audit and Accountability Act 2014.

As a consequence of these delegations, for 2017/18 the company will continue to be responsible under transitional arrangements for appointing auditors to local government and police bodies, for setting audit fees and for making arrangements for certification of housing benefit subsidy claims.

Looking beyond 2017/18, the Secretary of State has specified PSAA as an appointing person for principal local government bodies from 2018/19, under the provisions of the Local Audit and Accountability Act 2014 and the Local Audit (Appointing Person) Regulations 2015.
